GIA GREY 5 PC COUNTER HEIGHT DINING ROOM

SKU: 307064

Beautifully handcrafted, the Gia counter height dining room will transform your house into a warm loving home. The top, with its Mindy veneers hand laid in a stunning Reverse Diamond Match, will be the most beautiful surface in your home and make every meal a delight. The large 42" rounded top can fit almost anywhere, yet provide comfortable seating for 4 people. The shelf that is incorporated into the table base not only adds strength but is also a place to display and decorate to your personal taste. The beautiful wooden chair backs draw attention to the set from all angles and will compliment any style. Overall, the Gia dinette is a hand-crafted collection of quality furniture that will serve your family for years to come! Solid Rubberwood.
