CELESTE CHERRY DRESSER & MIRROR

SKU: 308391

Welcome to Old World craftsmanship. The timeless design of the Celeste Collection will bring you a lifetime of enjoyment. The dresser showcases carved legs and elaborate carved mouldings. The large 9 drawer configuration features dove-tailed construction with long lasting, ball bearing glides for smooth drawer operation. The mirror features expensive beveled glass to create a faceted, jewel like effect. The mirror and the headboard are crowned by an elaborately carved "Cartouche". The beautiful fruitwood cherry finish over birch veneers is accented with gold tipping detail. You made a great choice in acquiring this European inspired bedroom dresser.
