Arlenbry Grey Office Desk

Short Description:

SKU: 308430

$199.95

Clean-lined and contemporary—but far from stark—this home office desk is a fresh style awakening. Sleek scale makes it a natural fit for smaller spaces. Effortlessly combining modern farmhouse design with urban attitude, the replicated weathered oak grain plays perfe ctly with the chic yet earthy aesthetic. Easy Cord Management feature. Black metal frames. Engineered wood and decorative laminate.
