KELSEY WHITE DRESSER & MIRROR

SKU: 309004

Inspired by French Louis Philippe furniture, the Kelsey collection offers classic silhouettes, subtle curvatures and striking design. Design features include the characteristic wide ogee shaped moldings on the underside of the dresser, sweeping toe plate cut-outs, and neatly inset drawer fronts. Kelsey features quality engineered wood products and simulated wood grain veneers. Slender bail handles in a brushed nickel color complete the lean updated profile of the dresser. This collection is a versatile addition to your bedroom space. 3mm glass mirror.
