Cooper Grey Reclining Sofa

Short Description:

SKU: 309158

$999.95

The uniquely styled Cooper Sofa provides a stylish modern look with its sleek channel back design and gently curved arms. The reclining sofa features a built in drop down table comp lete with 2 cupholders and a power strip. When flipped up, the cushion in the center provides convenient overhead lighting. All of today's comforts are included, as can be found in the extra wide seating area and full chaise seat design. The neutral grey breathable polyurethane upholstery is durable for everyday use and will provide a great foundation for your decor.
