The Douglas bedroom collection is full of great features at an affordable price. The collection is finished in a warm charcoal color which is perfect for today's Urban Lifestyle. The headboard is upholstered in a long wea ring, man made fabric with a horizontal, channel quilted pattern. The upholstered headboard is a great look and provides a comfortable back and head rest when watching TV or working on your connected devices while in bed. All drawers are constructed with the finest English dovetailed joinery. The cases offer generous sized drawers. The large landscape mirror will reflect your good taste in selecting this new bedroom ensemble.
