HOME FURNITURE

Outfit your garage with this 14.1 cu. ft. GE upright freezer. Its temperature alarm guards against accidental loss of goods if the door is left open, and the turbo-freeze function rapidly replenishes cold air to maintain food's freshness. The lock and key of this frost-free GE upright freezer lets you safely store valuable cuts of meat.

DIMENSIONS: 28" W x 32" D x 62" H

- Audible temperature alarm - Alerts you if the door is left open or if the temperature rises
- Garage ready - GE freezers are tested to perform from 0 degrees F to 110 degrees F
- Exterior electronic temperature control - Easy adjust the temperature and avoid releasing cold air by opening the door
- Turbo Freeze - An extra boost of cold air restores the interior to set temperature for optimum food freshness
- LED interior lighting - Automatically illuminates when the door is open
- Lock with key - This allows you to protect your valuable food items from unintentional entry
