WYATT WHITE/GREY QUEEN BED

SKU: 309749

Rustic meets contemporary in this 2 toned bedroom suite. With on trend Gray and White finishes and black bar handles, this group fits into a variety of décor styles. Woodgrain detail throughout lends depth and lighted head board cubbies provide storage and display options. A touch switch on the side of the headboard makes it easy to get light right when you need it. The melamine finish provides durability. 3-Piece Bed Includes: headboard, footboard, and rails.
