Plush will be the best description for your new bedroom dresser. The dresser is upholstered entirely in a PLUSH man-made velvet. There is not likely a more dramatic collection in the entire furniture industry. The dresser features Queen Anne styled metal legs. It has seven generous sized drawers with metal side guides for smooth operation and long-lasting wear. The velvet fabric consists of a man made polyester velvet for long lasting wear. The crystal like hardware sparkles against the plush velvet drawer faces. Your friends and neighbors will complement you on your great taste.
