Plush will be the best description for your new bedroom collection. The entire suite is upholstered in a PLUSH man-made velvet in, black, royal blue or grey coloration. There is not likely a more dramatic bed in the entire furniture industry. The shelter bed features full button tufted upholstered details accented by chrome nail heads. The footboard and side rails also feature this button tufted detail. The bed and case pieces have Queen Anne styled metal legs. The bed's side arms envelop you in a super comfortable, sheltered space with a delicate arched top. The dresser has seven generous sized drawers with metal side guides for smooth operation and long lasting wear. The velvet fabric consists of a man made polyester velvet for long lasting wear. The crystal like hardware sparkles against the plush velvet drawer faces. Your friends and neighbors will complement you on your great taste. 5 PC Includes headboard, footboard, rails, dresser and mirror.
