Lanzburg Console Table

Short Description:

SKU: 310176

$549.95

Merging a highly modern profile with a two-tone, timeworn finish, this console sofa table is a prime case of opposites attract. The chic, sculptural base of this solid wood table is enriched with an antique gray finish. Topping the table off with a whitewash aesthetic makes things twice as interesting.Made of woodAntiqued gray finishTop with whitewash finishAssembly required
