$798.00

The sleek design of the Augusta Collection pairs clean lines with modern convenience to create a style that will be the perfect palette for your design aspirations. The collection's nightstands flank the queen low-profile panel bed, creating a wall-panelling seamless transition between the pieces. Visually tying the collection together are the painted metal-finish banding of the headboard's sides, as well as the footboard and auto-price's base rails, and along with the metal bar hardware of the nightstands, culminates in an accenting contrast to the gray faux wood finish of the melamine veneer. 7 PC Includes 3 PC Bed, 2 nightstands & 2 wall panels.
