Jetson Faux Marble Dining Table

Short Description:

SKU: 310337

$399.95

How would you like a sophisticated dining room collection at an affordable price? You just found it! This stunning collection is full of exceptional fe atures normally found in decorator stores. The table has substantial ebony colored legs that enfold a "faux" marble top which is protected by a polyur ethane finish to highlight the intricate marble grain patterns. You will be proud to share your beautiful new dining room with both friends and family.
