Badcock of South Florida & more[®] HOME FURNITURE

The sleek design of the Augusta Collection pairs clean lines with modern convenience to create a style that will be the perfect palette for your design aspirations. The collection's nightstands flank the queen low-profile panel bed, creating a wall-paralleling seamless transition between the pieces. Visually tying the collection together are the painted metal-finish banding of the headboard's sides, as well as the footboard and case piece's base rails, and along with the metal bar hardware of the nightstands, culminates in an accenting contrast to the gray faux wood finish of the melamine veneer.
