Westin Espresso 5 PC Queen Bedroom

Short Description:

SKU: 446160

$1,198.00

The Westin bedroom group combines practicality with modern sophistication. Featuring your choice of a dark espresso or light gray finish and embossed oak grain, this collection has a refined aesthetic that will elevate any bedroom decor.The focal point is the bookcase headboard, complete with integrated storage and lights. This innovative design offers both functionality and style, allowing you to conveniently store and access your favorite books and personal items while providing ample illumination for nighttime reading. Complementing the headboard is the storage footboard, providing additional space to keep your bedroom clutter-free and organized.Black metal hardware and metal strap accents on the top corners of each piece in this collection create a contemporary flair that is both subtle and striking. Constructed with quality materials and expert craftsmanship, the Westin bedroom group is built to withstand the test of time while maintaining its impeccable style. Each drawer is mounted on ball bearing guides and the top drawers of every item have velvet lining on the bottom to protect your belongings.5 PC Includes 3 PC Queen Bed (headboard, footboard, rail) dresser and mirror.
