Browse, explore and connect confidently on the Lenovo IdeaPad 1 powered by an ultra-fast Intel Core i3-1215 U Processor. The IdeaPad 1 packs responsive performance in a thin and compact 17.9 mm chassis, making multitasking on-the-go a breeze.

Dimensions: 9.29" W x 14.17" D x 0.7" H

Windows 11 operating system Windows 11 brings back the Start Menu from Windows 7 and introduces new features, like the Edge Web browser that lets you markup Web pages on your screen. 15.6" Full HD touch screen for hands-on control Touch navigation makes the most of Windows 11. The 1920 x 1080 resolution boasts impressive color and clarity. HP BrightView glossy screen. IPS technology for wide viewing angles. LED backlight. 12th Gen Intel Core i3-1215U processor Smart dual-core, four-way processing performance for HD-quality computing. Intel UHD Graphics On-processor graphics with shared video memory provide everyday image quality for Internet use, basic photo editing and casual gaming. 8GB system memory for advanced multitasking Substantial high-bandwidth RAM to smoothly run your games and photo- and video-editing applications, as well as multiple programs and browser tabs all at once. 256 GB solid state drive (SSD) While offering less storage space than a hard drive, a flash-based SSD has no moving parts, resulting in faster start-up times and data access, no noise, and reduced heat production and power draw on the battery. Built-in stereo speakers Dolby Audio provides immersive audio and maximizes volume output without distortion. Weighs 3.52 lbs. and measures 0.7" thin Ultra thin and ultralight for maximum portability, featuring a smaller screen size and omitting the DVD/CD drive to achieve the compact form factor. X-cell lithium-ion/etc. battery. HDMI output expands your viewing options Connect to an HDTV or high-def monitor to set up two screens side by side or just see more of the big picture. Built-in media reader for simple photo transfer Supports SD, SDHC, SDXC, and MMC memory card formats. Wireless network connectivity High-speed wireless LAN built into the screen, so it connects to your network or hotspots on the most common Wi-Fi standards in both laptop and tablet modes. Built-in HD webcam with microphone Makes it easy to video chat with family and friends or teleconference with colleagues over Skype or other popular applications. Basic software package included 30 day trial of Microsoft Office 365, 30 day trial to McAfee LiveSafe Additional ports Microphone-in/headphone-out combo jack. This laptop does not include a built-in DVD/CD drive. \*For more information on our "Extended Warranty Plan" [Click Here!](#)
